2017 Seedling / Plant List

All seeds started from non-gmo seed and grown without chemicals.

Peppers:

- **Early Jalapeno:** Basic green jalapeno peppers perfect for salsa and more
- **Christmas Tree Hot Peppers:** 1" long red, hot cayenne peppers
- **Bull Nose:** Bell shaped peppers green
- **Golden Treasure:** 9 inch long banana shaped peppers
- **Black Hungarian:** Blackish hot peppers shaped like a Jalapeno

Tomatoes:

- **White Currant:** Cherry type, yellowish white. Prolific producer, bushy plant. Saved from our seed.
- **Black Vernissage:** Produces 2 ounce reddish-black tomatoes. Great for sauces. Saved from our seed.
- **Italian Heirloom:** Red fruits over a pound.
- **Amana Orange:** Large 1-lb orange beefsteak type.
- **Cream Sausage:** Yellow plum shaped tomatoes
- **Amish Paste:** 8-12 ounce red paste tomatoes - great for sauce
- **Black Prince:** 5 ounce blackish/chocolate brown tomatoes
- **Green Vernissage:** Green striped tomatoes

Summer Squash:

- **Costata Romanesco Zucchini:** Ribbed, long fruit with striped skin
- **Gray Zucchini:** Greyish green squash with firm flesh

Cabbage:

- **Greyhound Cabbage:** Early summer variety with cone shaped heads

Slicing Cucumbers:

- **Straight Eight:** Smooth, straight, deep green 8" cucumbers with rounded ends. Vigorous.
- **Marketmore 76:** Dark green, 8-9" cucumbers, great yields.
- **Early Fortune:** 7-8" long, 2" in diameter
- **Muncher:** Tender, nearly spineless, & plump. Vigorous vines.

Pickling Cucumbers:

- **Russian Pickling:** Smooth green pickling variety
- **Boston Pickling:** Vigorous vine, large yields smooth green cucumbers. Crisp great pickles.
